

The Director of Central Intelligence

Washington, D. C. 20505

17 July 1980

Dear Tom,

It was good to see you again at the luncheon hosted by Dennis Stanfill. I have done several of these luncheons around the country during my tenure and generally come away with the feeling that I have gained more than the participants from the exchange. I find this was certainly true at our gathering.

With appreciation for your taking the time to join me for this occasion.

Yours,

A handwritten signature in dark ink, appearing to read "Stansfield Turner".
